ARTICLE 4: EMPLOYEE and UNION RIGHTS and RESPONSIBILITIES

SECTION 1. Employees have the right to bring work-related matters to the attention of their immediate manager, individually, collectively or through the Union.

SECTION 2. In accordance with 5 USC 71, Bargaining Unit Employees (BUEs) will have the right to form, join or assist their labor organization, or to refrain from any such activity, freely and without fear of penalty or reprisal, and each bargaining unit employee will be protected in the exercise of such right. Except as otherwise provided under this article, such right includes the right to act for their labor organization in the capacity of a representative and the right, in that capacity, to present the views of the labor organization to heads of agencies and other officials of the Executive Branch of the Government, the Congress, or other appropriate authorities, and to engage in collective bargaining with respect to conditions of employment through representatives chosen by BUEs.

SECTION 3.

A. The Union will be given the opportunity to represent any bargaining unit employee at:

 - a. The employee reasonably believes that the examination may result in disciplinary action against the employee; and,
 - b. The employee requests representation.

B. Prior to the commencement of an examination relating to an investigation, the employee will be informed of the purpose of the examination, and made aware of any evidence that will be presented and reviewed in its support.

SECTION 4. Upon request of the employee, a representative of the Union shall have reasonable opportunity to be present at any examination of an employee in connection with an investigation where the employee reasonably feels discipline may result. When an employee exercises this right and a representative of the Union is not immediately available, the examination will be delayed, to permit the presence of a Union representative.

SECTION 5. If an employee desires consultation with a Union representative during working hours, he or she will request approval from their immediate manager prior to leaving the work-site. The manager will grant reasonable requests for temporary absences for this purpose at such times and for such a period of time as the employee can be excused. If this departure would create immediate problems, the manager will inform the employee of the earliest time that they would be free to leave for their consultation, but in no case, more than 24 hours. When a manager denies a request after 24 hours have elapsed, they will put their reasons in writing.

SECTION 6. The Employer, whenever possible, will ask law enforcement personnel to serve all warrants and subpoenas in private and without the knowledge of other employees.

At any meeting called by the Manager or a designee, the Union participant(s) shall be on official time if otherwise in a duty status.

ARTICLE 6: SENIORITY

SECTION 1. The Union will establish and maintain a seniority roster based upon the last Entry-On-Duty (EOD) in the bargaining unit organizations. If the bargaining unit organization date is identical, then the employee's Service Computation Date (SCD) will be used. If Bargaining Unit Employees (BUEs) transfer within units represented by AFGE Local 200, the employee will maintain their original EOD.

ARTICLE 7: HOURS OF WORK

SECTION 1. The establishment and modification of workweeks, tours of duty, and work schedules will be in accordance with Employer policy (to include, but not be limited to: Human resources Policy Manual (HRPM) [LWS-8.14, Work Schedules and Hours of Duty](#) and [LWS-8.15, Alternative Work Schedules](#)) and this agreement.

SECTION 2. Per HRPM 8.15, Alternative Work Schedules, paragraph 10: Managers will make decisions to exclude or limit participation of an employee or an organization based on sound business reasons. Decisions to exclude or limit participation must be consistent and applied equitably. Managers must ensure that employees are informed of the reason, in writing, for exclusion, limitation, or change.

SECTION 3. Upon supervisory approval, employees may work and earn credit hours in excess of an employee's basic work requirement in accordance with [HRPM LWS-8.15 – Alternative Work Schedules](#)

SECTION 4. It is agreed that the Employer may exclude groups of Bargaining Unit Employees (BUEs) from participating in AWS due to the nature of the employee's work, staffing levels, customer service, or operational requirements. However, the Employer will notify the Union concerning such exclusions and the Union may request negotiations concerning AWS for these employees.

SECTION 5. Employees will be provided with a one (1) pay period notice when Managers need to temporarily change an employee's AWS schedule or shift outside of their normal scheduled hours unless the purposes are for official travel, training, or field support operational requirements.

SECTION 6. A grace period of up to fifteen (15) minutes after the employee's designated starting time is considered acceptable so long as the employee completes his/her scheduled number of hours for the workday.

ARTICLE 8: ABSENCE AND LEAVE

SECTION 1. Absence without leave (AWOL) is an absence from duty, which is not authorized.

SECTION 2 - ADVANCED SICK LEAVE. In cases of serious disability or illness and upon request, reasonable attempts will be made to afford an employee advanced sick leave, up to a maximum of thirty (30) calendar days, where it is reasonably certain that the employee will remain in government service for a sufficient time to repay the advanced leave. The employee may apply for the Leave Transfer Program as an option to advanced sick leave, if applicable. Such requests will be considered in accordance with criteria set forth in existing Employer regulations.

SECTION 3 - SICK LEAVE. Sick leave shall be earned and administered in accordance with applicable laws and governing rules and regulations.

- A. Employees requesting sick leaves or leave without pay based on illness or injury must furnish a medical certification for absences of more than three work days. If a physician or practitioner was not consulted, a signed F-171 from the employee giving the facts about the absence, the treatment used, and reason for not having a physician may be accepted as supporting evidence by the supervisor.
- B. Sick leave shall be requested in advance for all pre-scheduled medical, dental or optical examinations.
- C. If a supervisor suspects an employee is abusing sick leave, he/she will give the employee an opportunity to discuss the issue prior to initiating leave restrictions. The determination that sick leave abuse exists will be made after review of all pertinent records. The supervisor will provide the employee a written sick leave restriction, which will remain in effect for up to six months. The supervisor may review and/or remove the restriction prior to the expiration of the six months.
- D. The number of hours of sick leave used will not, in and of itself, constitute just and sufficient cause for sick leave counseling.
- E. Sick leave usage, which is not the subject of counseling, will not be a factor for promotion, discipline, or other personnel action.

SECTION 4 - ANNUAL LEAVE

- A. Annual leave shall be accrued and administered for all employees in accordance with applicable laws, rules and regulations. The Employer and the Union agree that the employee should schedule annual leave so as to avoid leave forfeiture.
- B. In scheduling leave, due consideration will be given to the employee's wishes, consistent with requirements for mission accomplishment. Supervisors shall not refuse to schedule leave when this would result in leave being forfeited unless the granting of such leave will impair the accomplishment of the mission. Supervisors will explain the necessity for cancellation of any leave which has been previously approved. Denial of use of annual leave will be based upon factors which are reasonable, equitable and which do not unfairly discriminate against any employee or group of employees.
- C. When there is a conflict in annual leave requests, which cannot be resolved through discussion with the affected employees, such a conflict will be resolved on the basis of the following considerations, which are listed in priority order:
 - a. Timely submission of requests for annual leave
 - b. Seniority

Annual leave for this circumstance will take priority over any other covered in this article. If the employee has no annual leave or insufficient leave to his or her credit, the approving authority may advance leave to the employee holding permanent status to cover the above periods. Employee may use sick leave in the place of annual leave if the employee is mentally or physically incapacitated for work.

SECTION 5 - LEAVE WITHOUT PAY. Employee may be granted leave without pay at their request when approved by the Employer. It may be granted whether or not the employee has annual or sick leave to their credit. SECTION 6 - MATERNITY LEAVE. Any absence for maternity reasons is chargeable to sick leave, annual leave, and/or leave without pay. An employee may use sick leave to the extent available when she is actually unable to perform the duties of her job as a result of pregnancy. If the employee does not have enough annual leave to take care of the additional time off that she wants to take she may request leave without pay.

SECTION 7 - PATERNITY LEAVE. A male employee may take leave in accordance with applicable laws and regulations for the purpose of assisting or caring for his minor children or the mother of his newborn child while she is incapacitated for maternity reasons.

 - f. When an employee's voting place is beyond normal commuting distance or where the polls are not open at least three hours either before or after an employee's regular hours of work, and vote by absentee ballot is not permitted, he or she may be granted an amount of excused absence which will permit them to report for work three hours after polls open or leave work three hours before polls close, whichever requires the lesser amount of time off.

SECTION 8. If the employee demonstrates good cause for failing to file a timely claim for reimbursement, which resulted in a delinquent payment, neither the delinquent payment nor untimely filing of the travel voucher will not serve as a basis for disciplinary action.

SECTION 9. Employees will not be responsible for any charges incurred against a lost or stolen card or unauthorized charges (including an identity theft situation), provided the employee reports such loss or charges within forty eight (48) hours of their discovery. BUEs will not be subject to administrative or disciplinary actions for a lost or stolen card.

SECTION 10. Employees will not be required to pay the disputed portion of a billing statement until resolution of the disputed amount per DOT Travel Card Management Policy Section 1.5.6.

SECTION 11. If an employee's credit report contains incorrect or incomplete FAA work related information that has negatively impacted the employee's credit worthiness, the employee shall be permitted to contact the credit reporting companies and appropriate National Program Coordinator (NPC) and A/OPC officials while on duty time to take corrective action, operational or mission related requirements permitting. The Employer agrees to promptly assist the employee in correcting the report or removing the inaccurate or incomplete FAA work-related information. Employees may not use duty time to address credit problems unrelated to their FAA employment.

ARTICLE 31: SURVEYS AND QUESTIONNAIRES

SECTION 1. The Employer recognizes that it is in its interest to have Union support for surveys of Bargaining Unit Employees (BUEs). The Employer will not conduct surveys and questionnaires without providing the Union an opportunity to review and comment on the questions and related issues. The Union will be notified and be provided an advance copy of any survey prior to distribution.

SECTION 2. Surveys and questionnaires will be conducted on the employee's duty time.

SECTION 3. The Union will be provided with the geographical/organizational distribution of surveys, which are distributed on a random sample basis.

SECTION 4. The Union will be afforded an opportunity to review and comment in advance on any publication based on or derived from survey results.

SECTION 5. If feasible, the Union will be provided a copy of survey results at the same time they are distributed to the Employer.

SECTION 6. Participation in surveys will be voluntary. To assure the anonymity of survey comments, employees will have reasonable access to a computer, if available.

SECTION 7. A Union representative will participate in all debriefings and action planning sessions involving employees.

ARTICLE 32: AGENCY DIRECTIVES

SECTION 1. The Federal Aviation Personnel Manual (FAPM), Human Resources Policy Manual (HRPM), and Personnel Reform Information Bulletins (PRIBs), FAA orders and notices that relate to personnel policies, practices and conditions of employment of the Bargaining Unit Employees (BUEs) will be maintained at the FAA William J. Hughes Technical Center (WJHTC). These items will be made available during normal administrative office hours. Upon request, the Union will be provided a copy of the above.

ARTICLE 33: RECOGNITION AND REWARDS PROGRAM

SECTION 1. Bargaining Unit Employees (BUEs) will be awarded and recognized in accordance with HRPM PM-9.2 Recognizing Employees dated March 23, 2010 and this Agreement.

SECTION 2. The Parties agree that the use of awards is an excellent incentive tool for increasing productivity and creativity of BUEs by rewarding their contributions to the quality, efficiency, or economy of government operations. The Employer agrees to consider granting all available recognition and rewards, or grant time off without charge to leave or loss of pay to an employee individually or as a member of a group on the basis of:

- a. adoption or implementation of a suggestion or invention;
- b. significant contributions to the efficiency, economy, or improvement of government operations;
- c. exceptional service to the public, superior accomplishment, or special act or project on or off the job and contributions made despite unusual situations;
- d. recurring exemplary service; e.g. performance throughout the year that consistently exceeds expectations and contributes to FAA goals and objectives;
- e. exceptional customer service or contributions which promote and support accomplishment of the organization's missions, goal, and/or values;
- f. creative or innovative methods used to make work processes or results more effective and efficient;
- g. productivity gains;
- h. performance as reflected in the employee's most recent rating of record.

The Parties agree that this list is meant to be an example but is not all inclusive.

Upon request, the Employer will inform the Union of the total amount spent on recognition and rewards for the bargaining unit within one month of the end of the fiscal year.

SECTION 3. The Employer shall notify the Union, in writing, when a bargaining unit employee receives a recognition and/or reward. At a minimum the notification shall include the employee's name and type of award.

SECTION 4. The Parties agree to meet annually to discuss the recognition and rewards program.

ARTICLE 34: PERSONAL PROPERTY CLAIMS

SECTION 1. As specified in the current FAA Order 2700.14, employees may make claims for damage or loss of personal property resulting from incidents related to the performance of their duty. Employees may request that their immediate manager assist in the proper filing of their claim.

ARTICLE 35: TELEWORK

SECTION 1. The Parties agree that Bargaining Unit Employees (BUEs) are entitled to participate in the Employer's Telework Program, however employee participation is voluntary. Policies and procedures regarding telework that are not covered in this section shall be in accordance with HRPW WLB-12.3, FAA Telework Program, updated September 7, 2010.

SECTION 2. It is FAA policy to actively encourage the use of teleworking to the maximum extent possible. Because teleworking is a tool used in the accomplishment of work, it must not have an adverse impact on any Employer office or the mission of the FAA. Teleworking is designed to benefit employees, managers, and the community. Some of the benefits that may result from teleworking include:

- a. reduced commuting time and decreases in traffic congestion, air pollution, energy consumption, and costs associated with transportation, parking, and road maintenance;
- b. improved employee morale due to a decrease in commuting-related stress and greater flexibility in balancing work and family demands;
- c. increased productivity fostered by a quieter work environment removed from the distractions and interruptions of the normal work setting;
- d. possible accommodation of employees with ongoing health problems, disabilities, or other situations that make commuting to the normal work setting difficult or impossible;
- e. possible continued work production when commuting is hindered or when the primary worksite is closed due to adverse weather conditions, emergencies, natural disasters, or building-related problems.

SECTION 3. BUEs may participate in one or a combination of the following telework options based upon their manager's approval and as a condition of the telework agreement. Various telework options include:

- a. work at home in a space specifically set aside as an office or workplace;
- b. work at another FAA facility or office that may be closer to the employee's home and where there is available space to accommodate additional Employer employees;
- c. work in a "virtual office or mobile virtual office" situation where the nature of the employee's position requires that his/her primary duties be performed "on the road" or at a customer's worksite. In this situation, the employee reports to a designated worksite only occasionally in order to perform administrative and other functions that cannot be performed while working off-site.

SECTION 4. Each employee who wishes to telework, including employees who telework on an ad-hoc basis and for temporary medical reasons, must complete and sign the FAA Telework Agreement. The Telework Agreement, which specifies the terms and conditions of participation in the program, is then submitted to the employee's manager for signature. The Telework Agreement documents the employee's and manager's commitment to adhere to applicable guidelines and policies, and must be in place before the employee begins teleworking.

SECTION 5. When a BUE makes a request to telework, the Employer will consider the following criteria in exercising the authority to grant or deny the request:

- a. the reasonableness of the request;
- b. the workability of the request; and
- c. the effect of the request upon the efficiency of the service.

The Employer agrees that all determinations will be made in a fair, objective, and equitable manner, and based on sound business practices, not arbitrary limitations.

SECTION 6. The Employer shall respond in writing to Telework requests within thirty (30) working days. Denial and termination decisions must be based on business needs or performance, not personal reasons. The denial or termination shall include information about when the employee might reapply, and also if applicable, what actions the employee should take to improve his/her chance of approval.

SECTION 7. Employees may change their telework days, with prior approval of their supervisor.

ARTICLE 36: SURVEILLANCE

SECTION 1. The Parties recognize that surveillance is conducted for safety and security reasons.

SECTION 2. The Employer will conspicuously post provisions of any law allowing undisclosed monitoring (surveillance) for review by all Bargaining Unit Employees (BUEs). Such posting will be on electronic media and/or in writing on both bargaining unit and facility bulletin boards.

SECTION 3. Whenever possible, the Union will be notified when the Employer becomes aware of any policy or procedural changes used for security.

NOTE: Union issues regarding disciplinary/adverse action will be switched to the disciplinary/adverse action article.

ARTICLE 37: GOVERNMENT VEHICLES

SECTION 1. If at any time a government owned motor vehicle (GOV) is observed to be in need of repair, defective, or in any way determined unsafe and may constitute an imminent dangerous situation, the employee may return the vehicle to the responsible organization. In such case where an alternate GOV is not available for official travel, the Employer may authorize the rental of suitable vehicle, or alternative arrangements will be made between the Employer and the employee.

SECTION 2. It is agreed and understood that Bargaining Unit Employees (BUEs) will not be required to provide a privately owned vehicle for use on Employer business, or to maintain a privately owned vehicle as a condition of employment.

ARTICLE 38: EMPLOYEE MORALE

SECTION 1. The Employer and Union will promote employee morale. The Employer will be a model Equal Employment Opportunity employer.

SECTION 2. The Employer will endeavor to continue with clean, dry, heated/cooled, lighted and well ventilated areas for employees to eat their lunch. Employees who utilize these areas are responsible for the cleanliness of their own area.

SECTION 3. Each new employee will receive an orientation session upon entrance on duty. This will include information on the managerial chain of command and conditions of employment. The employee and designated management representative will sign the orientation checklist to signify that the information has been provided. The Union will be provided twenty (20) minutes during the orientation to speak to employees represented by the Union. The Union agrees that such time will be used for the purpose of providing represented employees the purpose and goals of the Union and such time will not be used for the purpose of recruiting or other internal Union business.

ARTICLE 39: OFFICIAL PERSONNEL FILES

SECTION 1. Material placed in an employee's Electronic Official Personnel File (eOPF), Employee Performance File (EPF), Medical, Security, Training folder or other DOT/FAA file(s) shall comply with Federal Personnel Manual requirements and shall be maintained in accordance with the applicable provisions of the Privacy Act and its implementing regulations and this Agreement. This includes those files maintained at the employee's facility. Those records maintained by the Employer under a system of records pursuant to the Privacy Act shall be the only records kept on the employee. Where required by law, rule or regulations, any material which becomes a part of the employee's records shall bear the signature of the person originating the material. The employee shall be notified when FAA initiated material is placed in his/her eOPF. The employee shall be given copies of all FAA initiated material which is placed in his/her EPF. Copies of materials in other FAA files may be obtained in accordance with Section 10 of this Article.

SECTION 2. There shall be maintained only one eOPF and EPF for each employee in the bargaining unit. The eOPF and EPF shall be secured in a location consistent with applicable law and regulation. The employee and his/her designated representative are entitled to review his/her EPF, Medical, Security, Training folder or DOT/FAA file in the presence of a management official, provided access to that information is in accordance with the applicable provisions of the Privacy Act and other applicable law, rule, or regulation.

SECTION 3. Upon an employee's written request, a true and certified copy of his/her EPF, Medical, Security, Training folder, or other DOT/FAA file and its contents, shall be forwarded to the address as requested by the employee, except for material restricted by law, rule or regulation. This shall be in electronic format or hard copy. This shall normally be accomplished within thirty (30) calendar days of the receipt of the request, except when the folder is needed elsewhere for official Employer business. In those cases, the employee will be notified why the file was not available. The employee and/or, upon his/her written authorization, his/her Union representative, will be permitted to examine the employee's folder/files, on duty time, if otherwise in a duty status, as forwarded to the facility, in the presence of a management official.

SECTION 4. Within fourteen (14) calendar days of a request, the Employer shall provide duty/official time for employees and if requested by the employee, a Union representative, to view his/her eOPF/EPF, Medical, Security, Training folder, or other DOT/FAA file when available via the intranet. This Section will be granted independent of whether or not the employee has made a request pursuant to Section 3.

SECTION 5. Letters of Reprimand and documents related to them shall be retained in the eOPF for no more than two (2) years. If at the end of one (1) year it is decided that it is no longer warranted, the Reprimand and related documents shall be removed. In the event a Letter of Reprimand is ruled by appropriate authority to have been unjustly issued, the Reprimand and related documents shall be removed immediately and destroyed. Any reference to a Letter of Reprimand which has been expunged from the eOPF must be removed from any other record.

SECTION 6. Access to an employee's eOPF/EPF, Medical, and Security file(s) shall be granted to other persons only as authorized by law and OPM regulation. The Employer shall maintain a log of all persons, outside the Civil Aviation Security and Human Resource Management offices, who have accessed an employee's eOPF/EPF or Security file in the performance of their duties. If no such log currently exists, it will be generated and filed in the employee's eOPF/EPF or Security file at the time the first request for access to his/her file is received and granted. This includes those files maintained at the employee's place of employment except for personnel who routinely maintain the files. Upon written request, the employee shall be permitted to review the log and make a copy in the presence of a management official.

SECTION 7. An employee, pursuant to OPM regulations, may request that a record maintained by the Employer be corrected or amended if he/she believes the information is incorrect. The Employer will advise the employee within fifteen (15) calendar days of its determination concerning the employee's request. An employee who attempts unsuccessfully to correct or amend a record maintained by the Employer will be advised of the reasons for the refusal and may have a statement of disagreement placed in his/her folder.

SECTION 8. In accordance with 5 USC 552a, any disclosure of an employee's record, containing information about which the individual has filed a statement of disagreement, the Employer shall clearly note any portion of the record which is disputed and also provide copies of the employee's statement and, if appropriate, the Employer's reasons for not making the amendments.

SECTION 9. In the event an employee is the subject of a security investigation and such investigation produces a negative determination, any information or documents obtained and made a part of the Security file shall not be released or shared without the express written authorization of the employee, except pursuant to 5 USC 552a(b) and 5 CFR 297.401.

SECTION 10. Each employee, upon written request, and/or his/her designated representative upon written authorization, shall be allowed, in the presence of a management official, to copy information contained in the EPF, Medical, Security, Training folder or other DOT/FAA file, with the exception of records restricted by law or regulation.

ARTICLE 40: WORKPLACE ACCIDENTS, INJURY AND OCCUPATIONAL ILLNESS

SECTION 1. REPORTING AND INVESTIGATION. Both parties agree to encourage all employees to report all accidents and injuries immediately, as required by applicable laws, guidelines, standards, rules and regulations.

The Employer will comply with applicable laws, guidelines, standards, rules and regulations concerning the reporting of accidents and injuries.

Employees will report all on-the-job injuries, regardless of their severity, as soon as possible after becoming aware of the injury. The injury should be reported to the immediate supervisor or designee.

The Employer will complete all accident/occupational illness/injury reports and subsequent investigations involving Bargaining Unit Employees (BUEs), and provide the completed forms to the Employer's Safety and Occupational Health specialist and the Union. The Employer will assist employees in completing required written reports in connection with job-related injuries or illnesses.

In the event of an on-the-job injury, the Employer will obtain and, as appropriate, provide emergency medical treatment and/or transportation to an appropriate medical facility. If a co-worker is asked to transport the employee, he/she will be in a duty status.

The Employer agrees to notify the Union, as soon as possible, of any reported accidents injuries, or occupational illnesses that involve BUEs. Consistent with the Privacy Act, such notification will include the name of bargaining unit employee, circumstances, and nature of occupational accident/illness/injury sustained by the employee. If authorized and upon request, the Employer will provide the Union with a copy of the completed forms and documentation.

The Union will be notified and given the opportunity to accompany the employee when any investigation is made of an occupational accident/illness/injury.

SECTION 2. FEDERAL WORKER'S COMPENSATION – CONTINUATION OF PAY. When an employee is injured in the performance of his or her duties, he/she will be informed by the Employer of the procedures for filing a claim for benefits under the Federal Employees' Compensation Act.

The Employer will supply the appropriate forms to the employee for completion.

The Employer will assist the employee in filing the applicable Workmen's Compensation forms.

An employee returning to work with a medical certificate verifying the employee is partially recovered and able to work with restrictions will be considered for light duty as provided by law.

ARTICLE 41: BARGAINING UNIT LISTING

SECTION 1. Within thirty (30) calendar days of the approval of this agreement the Employer shall furnish to the Union, a listing by organizational unit, of the name, grade/band, series, title, and duty location of each employee covered by this Agreement. Thereafter, the Employer will furnish an update of the above information per the Union's request, but no more frequently than every 30 calendar days.

SECTION 2. The Employer shall notify the Union within thirty (30) calendar days whenever a bargaining unit employee is hired, transferred, promoted, reassigned, or has resigned, retired, or died.

ARTICLE 42: PROBATIONARY EMPLOYEES

SECTION 2. The Union may represent probationary employees.

ARTICLE 43: WORK SPACE ALLOCATION

SECTION 1. The Employer will provide appropriate workspace to Bargaining Unit Employees (BUEs).

ARTICLE 44: OFFICE RELOCATION EXPENSES

SECTION 1. Reimbursement for moving expenses shall be the maximum extent permissible by the Federal Aviation Administration Travel Policy (FAATP) Chapter 302, Relocation Allowance dated October 15, 1998 and the Federal Travel Regulation (FTR], as amended.

ARTICLE 45: MID-TERM BARGAINING

SECTION 1. It is agreed that personnel policies, practices and matters affecting working conditions, not expressly contained in this Agreement, shall not be changed by the Agency without prior notice to, and negotiation with, the Union in accordance with applicable law. The provisions of this Article apply to substance bargaining, if appropriate, procedures which the Agency will observe in exercising a management right, and/or appropriate arrangements for employees adversely affected by the exercise of a management right. Mid-Term Negotiations includes both interest based and position based negotiations. FMCS, FSIP, and interest arbitration services are also included in this category.

SECTION 2. Should the Agency propose a change described in Section 1, thirty (30) calendar days written notice of the proposed change shall be provided to the Union at the corresponding level, except where specifically authorized by this Agreement or otherwise agreed to by the Parties. It is agreed longer notice periods are in the best interest of the Parties and should be provided whenever feasible. The Union shall have up to fifteen (15) calendar days from receipt of the notice to request a meeting regarding the change. If the Union requests a meeting, the meeting will be held within ten (10) calendar days of the Union's request and the Parties will review the proposed changes. The Union may submit written proposals within thirty (30) calendar days of receipt of the original notice of the change(s). If the Union requests a meeting or submits written proposals, the Parties shall meet at a mutually agreeable time and place to conduct negotiations. The Parties agree that every effort shall be made to reach agreement as expeditiously as possible. If the Union does not request a meeting or submit written proposals within the prescribed time period, the Agency may implement the change as proposed.

SECTION 3. If the Parties are unable to resolve a dispute, they are free to pursue whatever course of action is available to them under the Federal Service Labor-Management Relations Statute or other relevant statutes/law. However, by mutual agreement, if the Parties at the local level are unable to reach an agreement, the issue may be escalated within ten (10) calendar days to the next highest organizational level, as identified in Appendix B. If, after a good faith effort, the Parties at the next highest organizational level are unable to reach an agreement, by mutual consent the issue may be escalated within ten (10) calendar days to the national level. Unless otherwise permitted by law or this Article, no changes will be implemented by the Agency until all negotiations have been completed including any impasse proceedings.

SECTION 4. The Union may initiate bargaining on personnel policies, practices, and matters affecting working conditions during the term of this Agreement on matters not expressly covered by this Agreement in accordance with the Federal Service Labor-Management Relations Statute. When the Agency has received a written proposal from the Union, if required, a meeting will be scheduled within fifteen (15) calendar days to review the Union's proposal. The Agency may submit written counter proposals within thirty (30) calendar days of the Union's proposal. The Parties shall meet at mutually agreeable times and places to conduct negotiations. If no agreement is reached, or the Agency fails to respond, the provisions of Section 3 of this Article shall apply.

SECTION 5. The Union, under this Article, will be authorized an equal number of representatives on official time for the conduct of negotiations in accordance with 5 USC 7131. The time limits under this Article may be extended by mutual agreement of the Parties.

SECTION 6. Nothing in this Article is intended to preclude the Parties from formulating ground rules for mid-term bargaining issues.

SECTION 7. The Parties agree that they will not assert, as a defense to a demand for bargaining over a proposed mid-term change in conditions of employment, that the proposed change is inseparably bound up with and thus plainly an aspect of a subject covered by this Agreement, but they may assert the first prong of the FLRA "covered by" doctrine that the matter is expressly contained in this Agreement.

SECTION 8. Except where the Parties have reached agreements and understandings during the course of the negotiations of this Agreement, upon the effective date of this Agreement, all memoranda of agreement, memoranda of understanding, past practices, and other written or oral agreements whether formal or informal, shall have no force or effect and shall not be binding on the Parties in any respect. Nothing in this Section shall be construed as a waiver of the Union's right to mid-term bargaining under this Article.

ARTICLE 46: NEPOTISM

ADR process. Within five (5) workdays the Labor Relations Staff, WJHTC or the Union Representative will contact the Federal Mediation and Conciliation Service to set up the initial mediation session. If needed, a second mediation session will be scheduled. If the dispute is resolved, a copy of the settlement agreement will be forwarded to the Labor Relations Staff, WJHTC and the Union. At this point, the grievance/ADR process will stop. If the dispute is not resolved, the formal grievance process may be utilized.
